## Testimonials

I very much enjoyed T. Harv Eker's book *Secrets of the Millionaire Mind*. He is able to impart life lessons to be learned in such a boldly direct, simplistic, and humorous way. The honesty of this no nonsense style gives the reader a much needed breath of fresh air. Much of my work as a clinical social worker is to open the doors, which allow clients to make informed choices as they embark on a new path in life. Even though I teach my clients many of the principles listed in his book, T. Harv Eker was able to open my doors even wider, helping me to gain deeper understanding of my blocks to abundance. Ruth Kent, had a marvelous idea when she incorporated both T. Harv Eker's book and Dr. Bradley Nelson's *The Body Code* system of energy healing into this 10-week course. The book helps readers to identify those blocks, imbalances, and barriers that keep them stuck. And once identified, *The Body Code* is then able to release the trapped energy at the root cause of those blocks, imbalances, and barriers. This is how to truly change your personal blueprint.

~ Thank you Ruth!

"The Success Together calls were the catalyst that I needed to kick start my Millionaire Mind & business growth. After each call, I was able to get clarity on the areas I needed to focus on. The *Secrets of the Millionaire Mind* book set the stage for having my mind in the right thinking. Our calls allowed me to soak in my learning. I also learned from the wonderful women on the call. Ruth Kent is wonderful and the Emotion code allowed me to clear the way for success. 2016 is going to be the GREAT year. I am confident my Success Together group helped get me ready."

"My experience with this program was exactly as it is named, "Success Together". This is what I received with other like-minded professional ladies. My income increased, my health and well-being improved and my days were more productive. Ruth gave each participant individualized attention and we had opportunities to support one another in achieving our weekly goals. It was time well spent with amazing results beyond my expectations. Thank you, Ruth. You are an Angel."
